

The “Archive Argos” were top performers at the 2010 Barrie Dragon Boat Festival (www.barriedragonboatfestival.ca).

Archive Document Storage raised nearly \$5000 for a collection of cancer-related charities. GIVETOLIVE will donate the funds raised to four worthy organizations battling various forms of cancer, including:

- Lance Armstrong Foundations (www.laf.org)
- Ovarian Cancer Canada (www.ovariancanada.org)
- Craig's Cause for Pancreatic Cancer (www.craigsc ause.ca)
- The Canadian Cancer Society (www.cancer.ca).

On race day, the Argos “paddled strong” in all 3 races - earning the **Silver Division title**. Along the way, Archive was thrilled to be recognized by the Barrie Chamber of Commerce as the **Small Business Challenge Cup winners**.
