December 2010 ARCHIVE DONATES TO CHRISTMAS CHEER

Archive staff helped to raise \$3845 for Christmas Cheer campaign. The funds were presented to this local charity along with a full load of toys for families in need.

Archive joined forces with the Busch Systems Group of Companies (including NetGain SEO, Armour Technology, Integrated Moulding International) to help raise funds for Christmas Cheer. During our recent Christmas party we held a silent auction with items generously donated by our suppliers. By the end of the evening we were thrilled to announce that we had exceed last year's total by over 15%.

In addition to the cash donation, the Busch Group of Companies sponsored a toy drive in the weeks leading up to Christmas. Employees loaded up the Archive van full of toys for the Christmas Cheer program.

Christmas Cheer is a charitable organization, with a volunteer board, who work to make a difference by ensuring that everyone on our community has an opportunity to enjoy Christmas.
